Mr. Alan L. Zaur, Chairman
WYBC-FM
P.O. Box 242A
Yale Station
New Haven, Connecticut 06520

Dear Mr. Zaur:

The Board of Trustees of the University has appointed a committee to investigate the feasibility of changing the FCC license of our student radio station, WMUA-FM, from the Board of Trustees to a private corporation.

As a member of the committee, and as an advisor to WMUA-FM, I have been asked to explore this matter with you. It is our understanding that the license of WYBC-FM is privately held and we are interested in knowing: who is on the corporation board, how they are selected, questions of liability in case of a law suit, and any other related matters germane to this issue, especially, has it worked.

If you feel the response is too complicated to reply in writing, I would be glad to call if you will indicate when I might call and a name. If a constitution or bylaws are available I would appreciate receiving copies.

Thank you.

Sincerely,

Robert N. Brooks
Assistant to the
Dean of Students
